| <b>3. CONCLUSIONS:</b>                                                                                                                                                                                                         |
| The results obtained accomplish the specification of the Standard ISO 13006:2012 (Annex H) (Dry-pressed ceramic tiles, with water absorption E > 0,5% Group Bla), according to tests carried out by an accredited laboratory.  |
| Los resultados obtenidos cumplen la especificación de la norma ISO 13006:2012 (Anexo H)(Baldosas presadas en seco con baja absorción de agua E>0,05%, grupo Bla), según los ensayos realizados por una laboratorio acreditado. |
